Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.

(Audra Hodkiewicz)

TOO DARN HOT

Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, Too Darn Hot, Sandra Scoppettone, "I'd had two murders since last spring, solved them both. The first one was prime and it got a lotta attention in the fish wrappers, so I had a bunch of clients for awhile. Just cause people saw my name in the paper they figured I was the best (which I might be). Not bad for a twenty-six-year-old gal from Newark, New Jersey." It's the middle of World War II, but not all the killing is happening overseas. In a sweltering New York City summer, scrappy steno-turned-sleuth Faye Quick-kicked upstairs when her boss ships out-takes on a new case that would make even the most experienced P.I. sweat bullets. It all starts with a beautiful woman. Heartbroken Claire Turner turns on the waterworks in Faye's office, begging for help in finding her beau, Private Charlie Ladd, gone missing while on leave from Uncle Sam's army. But when Faye busts into Charlie's hotel room, she doesn't find anyone-anyone alive, that is. But where's Charlie? Because the corpse in the hotel room might not be him. And that leads Faye to wonder if the unfortunate stiff was Charlie's target practice. In a case with more twists, starts, and stops than the Third Avenue El, Faye learns that some shocking truths are hidden behind the fog of war-a personal war being fought on the home front. Brimming over with big band music, hairdos in snoods, and unfiltered smokes-the same irresistible 1940s detail that made This Dame for Hire such a treat-the second adventure of indefatigable Faye solidifies her status as one of Sandra Scoppettone's most appealing characters. Too Darn Hot is sizzling fun readers are sure to make Quick work of. "From the Hardcover edition."
