At the Food Fair: Represent and Solve Problems Involving Division

By Beth Danielson

Rosen Classroom, United States, 2015. Paperback. Book Condition: New. 196 x 196 mm. Language: English . Brand New Book. Real-life situations and relatable narratives introduce students to the principles of multiplication and division, an essential part of third-grade math. Age-appropriate language encourages learning, which will help readers to become fluent in more complex math topics. Engaging visuals complement high-interest topics, while visually appealing designs help to make the math concrete. An international food festival provides the perfect setting for readers to practice basic division skills. This volume meets CCSS Math Standard 3.OA.A.2.
