Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littell)

THE ABYSS OF MADNESS

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Despite the many ways in which the so-called psychoses can become manifest, they are ultimately human events arising out of human contexts. As such, they can be understood in an intersubjective manner, removing the stigmatizing boundary between madness and sanity. Utilizing the post-Cartesian psychoanalytic approach of phenomenological contextualism, as well as almost 50 years of clinical experience, George Atwood presents detailed case studies depicting individuals in crisis and the successes and failures that occurred in their treatment. Topics range from depression to schizophrenia, bipolar disorder to dreams, dissociative states to suicidality. Throughout is an emphasis on the underlying essence of humanity demonstrated in even the most extreme cases of psychological and emotional disturbance, and both the surprising highs and tragic lows of the search for the inner truth of a life - that of the analyst as well as the patient.
