Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

BALANCING ACTS

CSS Publishing Company, United Kingdom, 2006. Paperback. Book Condition: New. New.. 208 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Henry Brinton identifies the social and political phenomenon of our time -- the increasing tendency of people to live and worship in like-minded communities. Not only does Brinton explain the theological basis for this ideological segregation, but he shows in dozens of examples the way a polarized country can regain its balance. Bill Bishop, Staff Writer Austin American-Statesman American congregations are more divided than ever over a broad range of theological and social issues -- and this book outlines an innovative way to understand and address these difficult conflicts. Balancing Acts introduces readers to the two major spiritual themes that animate life in America today -- obligation and liberation -- and discusses how most Christians align themselves with one of these attitudes. One group focuses on the obligations of religious life and seeks moral clarity, while the other tends to see religion as a liberation movement and stresses God's love for the oppressed of the earth. The ability to strike a balance between these competing camps is the key to managing tension in the church and in the larger community -- and Balancing Acts provides readers with the tools to find and nurture Christian unity in the face of political, cultural, and theological diversity. Whether the issue is women in ministry, presidential politics, immigration, homosexuality, or war, this book demonstrates how common ground can be found by people of faith who are willing to perform a balancing act between obligation and liberation. In Balancing Acts, Henry Brinton draws on his own rich experience to offer a way of approaching hot-button social issues with both pastoral and prophetic care. It's a useful read for...
