Brand New Book ***** Print on Demand *****.Excerpt from The Profits of Fruit Culture: Containing Plain and Practical Directions for Planting, Growing and Marketing Fruit, Followed by a List of Hardy Ornamental Trees and Vines for Home Adornment, Parks and Streets These few pages are offered to the public to encourage the growing of fruit in the Province of Quebec. What has been learned from years of practice and observations by successful fruit growers in Canada and the United States, is told in as few words as possible. My extensive correspondence with citizens, farmers and country gentlemen, for the last five years, the numerous enquiries I received from them on fruit growing, have convinced me of the necessity of preparing this little work. Why? Because our progressive men, of all classes, want to learn in one day the experiences of practical and successful men, of half a century. They do not care for theories or botanical terms, the formation of leaves, wood, c.; they desire only, information on the most profitable plants and fruit trees to grow; on the best and hardiest trees for...

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.
