Createspace, United States, 2013. Paperback. Book Condition: New. Delandro a R Taylor (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about money because it is important that people understand money, its purpose, its value and its use. If you can understand money and how it works then it is more likely that you will be able to make some more. They are many myths associated with money and because of this many people have been held captive by the lure and desire to accumulate money without coming to a proper understanding of how money is to be used in the development of society. Money, Riches Wealth explores many of these myths. The development of society involves not only the development of people, but the development and use of its resources. One of the key resources is money simply because the use of money affects so many other areas. The doctor, the lawyer, the policeman, the pastor, all have to learn how to handle money. This book deals with money and money management. In Money, Wealth Riches you will learn what money really is, where the concept of money came from and how money derives its value. You will understand the difference between riches and wealth so that you can obtain true riches and true wealth. Are you ready? As you read Money, Riches Wealth you will come to the realization that God is wealthy and wants us to drink from the vast river of his store of resources. Mahatma Gandhi said Poverty is the worst form of violence. When the people of God prosper, they should be a blessing to their neighbors, city, nation and the world. Now is the time for us to wake up to the fact that...
