There photos, poems, Aesop s Fables, a bit of scripture and many tips from parents who have shared some of the best and worse times they have experienced while touching the lives of many young men. All twelve authors have brought a different perspective about their contact with boys, some as parents, some as aunts or uncles, some as teachers, some as sisters and brothers, some as nieces and nephews, and some as daughters and sons. This will be a book you will want to turn to over and over again for guidance, inspiration, and laughs.
