

Perspectives on Arthur Miller

By Atma Ram

Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 136pp. The present volume on Arthur Miller contains fresh perceptive and evaluative essays written by eminent scholars on Miller as a tragedy writer, a critic of contemporary American society and a writer who combines in his works traditional motifs with contemporary concerns and experimentation in forms. The first section of the book 'Perspectives on Tragedy' views the concept of tragic hamartia from three standpoints from the point of view of Aurobindo's Integral Consciousness, as a psychological block, and an offshoot of personal identification. The second part 'A Critique of Society' examines the socio-historical dynamics, which has resulted in the collapse of the fabled American Dream and its consequent fallout. The third section 'Tradition and Modernity' evaluates Miller's quest of values amidst present-day neuroses and fixations, the tension between 'order' and 'freedom', which he pours into expressionistic dramatic mould. The anthology thus provides a fuller understanding and a better appreciation of Arthur Miller, the dramatist.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Lorena Streich**

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
