Createspace, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Non-profit or social profit? Deadline or birthline? Appreciative Inquiry addresses a human art, involving conversational craftsmanship. It takes specific, carefully chosen words, questions, gestures and of course deep listening to help conversations being generative, appreciative and empowering. The good news is that the instrument called language is in reach of everybody on our planet. Imagine everyone would encounter his or her fellow citizen the AI way . together building the sharing Society 3.0. What started out as an editing assignment swiftly became a personal discovery into Appreciative Inquiry, a term I now frequently elicit in my own vocabulary. From the first concept of communication starting between the noses to Society 3.0; you are taken on a journey incorporating music, business communication, art, corporate strategies, Buddhist gestures, commercial synergy, poetry and interviews. My editing deadlines soon became editing birthlines as I spent hours discussing and challenging those around me to immerse themselves in the ideas that are so presented in this book. Appreciative Inquiry has no limitations in where it can be used or by whom. All that is now left is to discover, dream, design and allow yourself to have Appreciative Inquiry delivered to you. La eeqa Kajee, editor Appreciative Inquiries of the 3.0 kind is a courageous step in what I believe to be the new frontiers of Appreciative Inquiry, simply known to us in the community as AI. I say this because as the ideas of AI begin to spread, and as practitioners and academics weave these ideas into their daily lives, we are seeing the challenge to take this life-giving approach into the very heart of ordinary life. It is therefore with pleasure that we...
