Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The Amores or, Amours by Ovid - Literally Translated into English Prose, with Copious Notes, by Henry T. Riley - Amores is Ovid's first completed book of poetry, written in elegiac couplets. It was first published in 16 BC in 5 books, but Ovid by his own account later edited it down into the 3-book edition that has come down to us. The book follows the popular model of the erotic elegy, as made famous by figures such as Tibullus or Propertius, but is often subversive and humorous with these tropes, exaggerating common motifs and devices to the point of absurdity. Speculations as to Corinna's real identity are many, if indeed she lived at all. It has been argued that she is a poetic construct copying the puella-archetype from other works in the love elegy genre. The name Corinna may have been a typically Ovidian pun based on the Greek word for maiden, kore. Though most of this book is rather tongue-in-cheek, some people didn't take it that way and this could be the reason or part of the reason why Ovid was banished from Rome. However, his banishment probably has more to do with the *Ars Amatoria*, written later, which offended Augustus. There is also a connection between Ovid and Augustus daughter, Julia, who was also exiled.
