ACTIVE VOCABULARY

Helps students build and use strong vocabularies Active Vocabulary makes the study of vocabulary enjoyable. Through thematic readings, self-tests, and interactive exercises, students can apply their skills to writing, personal experience, art, and many other formats that generate excitement about improving their vocabularies. Each activity plays on individual learning styles to help students learn new words in a large number of contexts. The Sixth Edition retains the book's strong visual appeal, as well as its philosophy that an essential part of learning vocabulary is repeated exposure to a word. With new readings and words, this edition of Active Vocabulary offers greater exposure to a more diverse wordbase than ever before. Also available with MyReadingLab MyReadingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them develop their reading skills and promotes transference of those skills to college-level work. Full-length readings and assignments from the text are available in the eText version of MyReadingLab, strengthening the connection between the classroom and work done outside of class.
