Penguin Putnam Inc, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. The Rare Find by George Anders - the definitive work on winning the war for talent - now in paperback. How do venture capitalists pick winners like Apple? How do the FBI's hostage rescue team find agents for the world's toughest job? How do Hollywood casting agents and major sports scouts size up the best talent? There's a huge difference between the very best performers and everyone else; in terms of productivity there's a five-to-one gap. No one can afford to settle for mediocrity. Pairing these frontline observations with cutting-edge research from psychiatrists, economists, recruiters and business strategists, Anders shows how anyone can hone the ability to recognize future greatness and discover tomorrow's stars. Anders brings piercing intellect and persistent curiosity to examine the single most important leadership skill: finding and picking the right people . (Jim Collins, author of Good to Great). George Anders spent two decades as a top feature writer for The Wall Street Journal , where he was part of a team that won a Pulitzer Prize for national reporting. He has also written for The New York Times , Parade , Fast Company , Smart Money and Harvard Business Review . He is the...
