This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2006 in the subject Politics - International Politics - Region: Western Europe, printed single-sided, grade: 1, University of Zurich, 30 entries in the bibliography, language: English, abstract: A new impact to welfare state research was given by the crisis and the resulting, far-reaching changes during the past two decades. Not only the development and extension of the welfare state, but also the retrenchment became a topic of theorists and researchers. There exist a lot of explanations about the reasons of the crisis of the welfare state: globalization and the liberalization of the economy, heavily state-debts and the ageing society were some of the most dominant. In this paper, I am not primary interested in the reasons of retrenchment. I will focus on how they were realized. Which groups are interested in a smaller welfare state How does retrenchment work on the political level The paper discusses these questions on the basis of the situation in Sweden during the early 1990's. The analysis bases on an (rational choice orientated) historical institutionalism approach, stressing...
